Regarding the Supplement (Interim) Tax Bills enclosed:

During routine tax years, Harris Township property owners normally receive 2 tax statements. The types of taxes billed are:

<u>Billed</u>	<u>Real Estate Tax Type</u>	
March 1st	Centre County & Harris Township Taxes	Bills are printed by Centre County Mailed by Harris Township
July 1st	State College Area School District	Printed and mailed from State College School District

However, if changes occur to your property during a tax year but after these billing dates, you are billed on a supplement bill for the prorated number of months that the change was effective.

Examples of these changes include but are not limited to: new home construction on a purchased lot; purchase of new construction that was not previously assessed, or improvements to an existing property.

Taxpayers who receive supplemental bills will also get the routine bills listed above. Although it first appears that they are receiving duplicate billings, you will observe that the dates on the statements show that the bills are for two different tax years.

Supplement bills frequently are not covered by your mortgage holder escrow account. However, if you believe these supplement bills should be paid by the mortgage holder, it is your responsibility to provide the statement(s) to them for payment.

Please review the enclosed statement(s). If you have any questions, contact Kathy Warner, Harris Township Tax Office at (814) 466-6205.

All of these real estate tax bills are payable to the Harris Township Tax Collector at the Harris Township address listed in the letterhead above.
