General Instructions

Any work performed within the right-of-way of a Township street requires the submission of this form along with a copy of a sketch showing the location and details of the proposed work. The required fee of \$50 must be submitted with the application. Information regarding Township standards for driveways and other work within rights-of-way can be obtained by contacting the Zoning/Ordinance Enforcement Officer at (814) 466-6228.

In some instances, review and/or inspection by the Township Engineer is required. By signing this form, applicant agrees to reimburse Harris Township for the actual costs incurred by the Township Engineer should such services be necessary.
